Professional Information

Mathematical civil engineer with a master's degree in applied mathematics. Responsible, able to work in a team environment, with leadership skills, focused on meeting goals and objectives and always willing to improve and learn new things.

Education

Mar 2012 - Dec 2015	Liceo Comercial Vate Vicente Huidobro. High school / Secondary education. Technical Education in Business Administration. Graduate.	<i>Santiago, Chile</i>
Mar 2017 - Dec 2023	Universidad de Chile. Bachelor's degree in Engineering Science in Mathematics. Graduate.	<i>Santiago, Chile</i>
Mar 2017 - Mar 2024	Universidad de Chile. Mathematical Civil Engineering. Graduate.	<i>Santiago, Chile</i>
Mar 2024 - Jul 2025	Universidad de Chile. Master's degree in Applied Mathematics. Graduate.	<i>Santiago, Chile</i>

Working Experience

Jan - Feb 2021	Department of Mathematical Engineering, FCFM. Internship I. Topic: Satellite data study, InSAR satellites. Position: Research Assistant. Function: Search for information required by supervisor.	<i>Santiago, Chile</i>
Dec 2021 - Feb 2022	ComDer Contraparte Central. Internship II. Topic: Modeling of financial valuation adjustments (XVA). Position: Trainee. Function: Studying and modeling three types of XVAs in Python language.	<i>Santiago, Chile</i>
Aug 2023 - Jan 2024	Centro Nacional de Inteligencia Artificial (CENIA). Internship III. Topic: Multiscale entropy in random graphs. Position: Research Assistant. Function: Studying and modeling entropy in random graphs and implementing its geometric multiscale.	<i>Santiago, Chile</i>
Jan - Apr 2025	Institut National de Recherche en Informatique et en Automatique (INRIA) Research Internship. Topic: Strategic Decision-Making in Decentralized Energy Systems. Position: Researcher Trainee. Function: Modeling of decentralized energy systems through a strategic, non-cooperative lens. It explored how uncertainty and interdependence shape behavior in dynamic, non-cooperative environments.	<i>Lille, France</i>

Sept 2025 – On going	Centro de Modelamiento Matemático (CMM) Topic: Education (CMMedu). Position: Service provider. Function: Developed math content for adaptive teaching units and self-instructional materials in collaboration with the Ministry of Education and FCFM - Universidad de Chile.	Santiago, Chile
-------------------------	---	--------------------

Academic Activities

Fall 2020	FCFM - Universidad de Chile. Teaching Assistant, Ordinary Differential Equations (MA2601).	Santiago, Chile
Spring 2020, Fall 2021	FCFM - Universidad de Chile. Teaching Assistant, Multivariable Calculus (MA2001).	Santiago, Chile
Fall 2021, Spring 2024	FCFM - Universidad de Chile. Teaching Assistant, Challenges of Innovation in Engineering and Sciences (CD1100) and Innovation Project in Engineering and Sciences (CD1201).	Santiago, Chile
Spring 2021, Spring 2022	FCFM - Universidad de Chile. Teaching Assistant, Theory of Computation (CC3102).	Santiago, Chile
Mar 2022 - May 2025	Hélíce FCFM - Universidad de Chile. Teaching Assistant Coordinator, course CD1100 and CD1201.	Santiago, Chile
Fall 2023	FCFM - Universidad de Chile. Teaching Assistant, Discrete Mathematics for Computer Science (CC3101).	Santiago, Chile
Mar 2023 - Dec 2025	Department of Mathematical Engineering FCFM Mathematics Course Coordinator of Common Core Engineering and Science.	Santiago, Chile
Spring 2023	FCFM-Universidad de Chile. Teaching Assistant, Probability and Statistics (MA3403).	Santiago, Chile
Mar 2025 – Jul 2025	FCFM-Universidad de Chile. Lecturer, Correction Assistant Workshop in Mass Courses (AA0030).	Santiago, Chile
Aug 2025 – On going	Hélíce FCFM - Universidad de Chile. Lecturer, Challenges of Innovation in Engineering and Sciences (CD1100) and Innovation Project in Engineering and Sciences (CD1201).	Santiago, Chile

Extracurricular Activities

Dec 2017 - Dec 2023	Universidad de Chile. Broadcast monitor in Unidad de Difusión para la Admisión de Pregrado (UDAP).	Santiago, Chile
------------------------	--	--------------------

Competences

Language	[Spanish]	<i>Mother Tongue</i>
	[English]	<i>Medium level (continuously practicing and learning)</i>
	[French]	<i>Basic level (currently learning)</i>
Software	[Advanced]	<i>Python, LaTeX, Excel</i>
	[Medium]	<i>Matlab, C, Julia, SQL</i>
	[Basic]	<i>Java</i>
